

# Translation & Interpretation Services

## Translation Services

Gem has a full service in-house translation team capable of providing translation for a range of languages. We presently have translators embedded within Qatar Foundation Headquarters as well as Hamad Bin Khalifa University's Translation and Interpreting Institute of Qatar, along with a translation memory specialist.

We offer specialized translation, from and into over 70 languages. Our team includes Translators, Revisers, Proofreaders and Localization Specialists.

Our range of services includes:

- Financial Industry translation, including banks.
- Marketing and Communication Translations.
- Legal translation of contracts, financial documents, certificates, articles of association, etc.
- Medical translation of medical reports, healthcare and pharmaceutical literature, etc.
- General translation of research papers, studies, submissions, books, promotional materials, etc.
- Technical translation and localization of manuals, user guides, equipment specifications, software, etc.
- Media translation, including press releases, audiovisual files, dubbing and voiceover.
- Consecutive interpretation for meetings, negotiations, press conferences, etc.
- Simultaneous interpretation for conferences, workshops, symposiums, training sessions, etc.
- Editing and proofreading of writings, reports, case studies, theses, etc. in multiple languages.
